Contract No. TM-1461
Amendment No. 3

OCT 22 1959

General Precision Laboratory, Incorporated
63 Bedford Road
Pleasantville, N. Y.

Gentlemen:

1. This document constitutes Amendment No. 3 to Contract No. TM-1461 between General Precision Laboratory, Incorporated and the United States Government, and said contract, as amended, is further amended as hereinafter set forth.

2. Pursuant to the provisions of PART IV - REPRICING, the parties hereto have negotiated fixed hourly rates for the periods 1 January 1959 through 30 June 1959, and 1 July 1959 through 30 June 1960. These rates are set forth in Exhibits "C" and "D" which are attached hereto.

3. The first part of Paragraph (a) of PART III - CONSIDERATION AND PAYMENTS is deleted in its entirety and the following is substituted therefor:

"(a) For the purposes of this contract there has been allotted the following amounts:

which the affiliate sells the aforesaid components to the other users taking into consideration quantities purchased in these instances when quantities are a factor in establishing current prices. For this purpose, standard components will be defined as articles, materials, or services of the type which the Company manufactures or furnishes and sells to outside customers in the regular course of its business. This will include all catalog or stock items plus similar products having such special modification or features which are customarily used in trade or commercial application."

5. The above results in a net decrease of \$6,231.44 or a new total consideration of \$33,768.56. All other terms and conditions, as amended, remain unchanged. ^{3056.60} 36 943.40

6. Please indicate your receipt of this Amendment No. 3 to Contract No. TM-1461 and your acceptance thereof by executing the original and two copies of this Amendment. Return the fully executed original and one copy to the undersigned and retain the remaining copy for your file.

Very truly yours,
THE UNITED STATES GOVERNMENT
